

PRAYER FOR THE WEEK - PATIENCE

This week's prayer is written by **Preb Revd Chris Thorpe**,
Vicar of St. Andrew's Anglican Church, Shifnal and St. Mary's, Sheriffhales

“Gracious God

***In your infinite patience you hold us in being
as we grow towards maturity in love.***

***You long for us to hear your voice
to turn and find you, waiting for us with arms outstretched.***

***Give us that gift of patient waiting
in the busyness of our lives.***

***When things are hard
help us to bear with one another,
to understand our limitations,
to put aside our frustrations,
and to find in those moments
a sense of your deep peace. Amen.”***

A community with a heart for God and God at its heart
